## The Clean and Green Campus Policy

The Green Campus Policy of the institution envisions a Clean and Green Campus where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus and beyond the campus. It also offers the institution an opportunity to take the lead in redefining its environmental culture through instilling environmental ethics among the students and staff.

### **Mission**

To create environmental consciousness among the society and actively involve in the activities to protect the planet earth from the unscrupulous human invasions for a sustainable, pollution-free and healthy life ahead.

### **Objectives**

- To sensitize the students and the staff to minimize the use of polluting products and use environment friendly products and services.
- To instill the importance of cleanliness for a healthy life
- To Create awareness about environmental issues by organizing Events, Rallies, Awareness Campaigns, Cleanliness Drives, Seminars, Workshops, presentations, Tree Plantation Drives, Rangoli Competitions, Essay Competitions, Talks, etc.
- To make students and staff aware about raising voice against the hazardous practices harmful to Nature and promote environment friendly practices among the society.

### **❖ Initiatives Taken to Implement the Clean and Green Campus Policy**

The Institution is committed to managing its campus in accordance with its Clean and Green Campus Policy by establishing the following infrastructure and carrying out the following activities:

- **Landscaping with Trees and Plants**
- **Ban on Single-Use Plastic**
- **Use of LED Bulbs/Tubes and Power Efficient Equipments**
- **Paperless Office and Communication**
- **Solid Waste Management**
- **Water Management**
- **Display Boards to Promote Environmental Sensibility on Institution Campus**

### **❖ Landscaping with Trees and Plants:**

As per the Clean and Green Policy of Institution, the institution strives to plant various types of ornamental and medicinal variety, wild plant species of trees in large numbers within and outside the campus.

The tree-plantation drives are undertaken by the NSS Units of the institution every year.

### ❖ **Ban on Single-Use Plastic:**

The campus of Institution is a plastic-free campus where there is a complete ban on single-use plastics in classrooms, laboratories, canteen, hostel, and in the other premises. The institution facilitates environment friendly substitutes like stainless steel, washable and reusable tumblers at all water units and mandates the canteen to serve only in stainless steel or paper plates/glasses/cups to systematically ban the use of plastics on the campus.

### ❖ **Paperless Office and Communication:**

The institution has a policy to minimize the use of paper in all types of official/academic communication of the institution through E- Communication. **The use of paper is substantially reduced through digitization. One-side blank pages are used to avoid wastage of paper.** All the institution staff have been provided the institution E-mail IDs and through which they make all the required official and institution-related communication. What's app - Class-wise groups, Department wise groups, Committee wise groups have been formed which have reduced the usage of paper in notices and circulars.

This practice has proved highly beneficial to save money, boost productivity, save space, make documentation and information sharing easier, and help the environment.

### ❖ **Solid waste Management:**

The Solid waste generated in the campus is segregated as bio degradable and non-degradable. All the Departments, laboratories, and Classrooms are provided with dustbins for dry wastage disposal. Segregation of the waste into dry and wet waste done through the separately allotted dustbins at strategic locations in the institution.

### ❖ **Water Management:**

The institution has well with ample water. The water is distributed through well-laid pipe network. Entire distribution system is well supervised by the institution administration to ensure that there are no leakages and wastages of water through Leakages in the pipelines and the water-taps etc. All the stakeholders of the institution are well educated to use water economically and efficiently.

### ❖ **Display Boards to Promote Environmental Sensibility on Institution Campus:**

Various boards including Quotes that promote environmental awareness and ethics including air-pollution control, plastic-free campus, conservation of energy, recycling of resources, tree plantation, Nature conservation, etc. are displayed for all the stakeholders of the institution.
