This was the event for which the students were desperately waiting for. celebrated the Traditional Day to promote "Unity in diversity" which is based on the concept where the individual or social differences in physical attributes, skin color, castes, creed, cultural and religious practices, etc. are not looked upon as a conflict. Rather, these differences are looked upon as varieties that enrich the society and the nation as a whole.

It was an eventful day. It was observed as a celebration of India's diverse culture. It's a day designated for people to come in traditional attire from their home state, or specific culture of their choice.

In all, it was a great success and it definitely strengthened the bonds among the students and created respect for ethnic and racial diversity in India.

"College annual days" is the event that students eagerly wait for. Fests provide a platform for students to showcase one's unique talents and are important in the holistic development of the personality of the students, providing a break from the monotonous routine of evaluation and academics

It all begins with the forming of a core committee that includes teaching staff as well as student representatives.

Students carry out the creative, administrative and logistical part of the festival, but all powers of approval (and disapproval) lie with the teachers, who head the committee.

The days were as follows

1. 10/12/2021 - Pink day, Jeans day, cap day, Funny games organized by T.Y. Student and Start Fish Ponds collection
2. 11/12/2021 – Western day and ramp walk

Details of the Event:

In Padmashri Babasaheb Vengurlekar Mahavidyalaya Pandurtitha Tal. Kudal Dist. Sindhudurg, it was organized by students under the Cultural and Academic Department of college.

"The good effects of pink kindles friendship, harmony and affection...!"

PBVM started day's celebration with pink day. It was wonderful to see our students in different shades of pink. The Funny games arranged by Third year students on same day.

"Western Fashion has always been repetition of ideas but what makes it new is the way you put it together." The second day was fulfilled with beautiful Ramp Walk of students dressed up with western outfits.

Golden era day style is style that is consciously derivative or imitative of trends, music, modes, fashions, or attitudes of the recent past. Golden era fashion refers to fashion from 1940–90. Golden era fashion is a clothing style which consists in wearing clothes commonly used in the past. This way of clothing often includes garments and accessories that are characteristic of such times. The students of PBVM gave a quick look of Bollywood stars on third day. Students dressed up as actors and actresses and enacting their style. As well as Television Day is celebrated on third day on which students dressed up with television character outfits for TV serials like "Tarak mehata ka ulta chashma", "Mazya navryachi bayko", etc. A Ramp Walk was held for same.

On fourth day we organized the Tie and Saree Day where students create memories by dressing up in elegant sarees and stylish suits, and take pictures which they would forever cherish. This day is solely for students to bond with their friends and fellow college mates, no academics or any other activities can come in their way.

Our college student celebrated the black and white day on fifth day in college. The student were dressed in black and white attire. The Funny games arranged by First year students

The students celebrated the mismatch day on sixth day. Every one dressed themselves in an odd outlook. They looked like gangsters. At the end of the day we had photography at the campus of college.
